

Antitrust/Competition

As economies in East and Central Africa become more exposed to globalisation, many of the world's leading companies are turning to Nicholas Ngumbi Advocates as their preferred competition counsel on regulatory compliance with competition law in Kenya, East Africa and the COMESA economic bloc. We have advised many of the world's leading companies on antitrust/competition law. We handle a wide variety of issues on antitrust/competition law including, but not limited to, the following:

- Antitrust/Competition disputes (competition litigation, commercial competition disputes, damages actions and judicial review);
- Merger Control;
- Public Procurement and Competitive Tendering;
- Sector Regulation;
- Government Market Investigations.
